

Kathleen Baden

Workshop, April 2015

Precision Piecing is a 6-hour workshop. This workshop is targeted for piecers who want to improve their sewing skills. We will make the lap size “Science Fair” quilt from Jaybird Quilts. I’ll teach you how to use the Hex N More ruler, also from Jaybird Quilts. This is a fast pattern that yields great results! We will talk about pressing, rotary cutting, piecing and finishing. I’ll have lots of great tips on how to be a better quilter.

Trying to decide on fabrics? If you google “Science Fair Quilts”, you will see lots of color ideas.

Supply list:

- Sewing machine in good working order
- Spray starch or sizing

- Small rotary mat if you have one. We will have big mats but it’s nice to have your own.
- A small travel iron and press board if you want. Again, we will have ironing boards and irons but you will be pressing!
- Sharp rotary cutter. ☺
- Hex N More ruler from Jaybird Quilts. I’ll have them for sale if you need one. \$23
- “Science Fair” pattern from Jaybird Quilts. Again, I will have them for sale. \$10
- A grouping of 2 ½” strips or a jelly roll. If you want to cut from fat quarters, that’s fine. I’ll be doing a demo with fat quarters.
- 1 5/8 yards of background.
- Basic sewing kit (pins, scissors, seam ripper, etc.)

Feel free to contact me at baden.kathleen@gmail.com or check out my blog at www.kbquilts.com.

Workshop:

Saturday, April 11th, 2015, 9:00am – 3:00pm

Kernersville Senior Center

Member fee: \$25.00 plus ruler and pattern fee if needed, Non-member fee: \$35.00 plus ruler and pattern fee if needed.

To sign up for the workshop:

Please sign up at any HOTQG monthly meeting held the first Monday of each month. (Payment must be received at the time of sign-up)

Or email Tracy Burkart at quiltedsanity@aol.com to reserve your spot. Then please mail a check for workshop fee plus handout or kit fee to Heart of the Triad Quilt Guild, Inc., P. O. Box 874, Kernersville, NC 27285-0874, Attn: Tracy Burkart.
